# Principal's Report

Firstly, I would like to thank all members of our school community for their continued patience, resilience and support, particularly over recent weeks.

I can understand that the most recent remote and flexible learning period was both somewhat surprising as well as challenging.

It is great to be back onsite and I am looking forward to our students embracing the learning opportunities ahead.

## Transitioning back to onsite learning

The challenge of transitioning between onsite and remote learning is one that we will work on together to support our students to make the most of their time in the classroom. Returning to positive and consistent learning habits is central to student success. Over the past 18 months there have been some refinements and improvements to how some of our supports operate at the College. I would like to take this opportunity to outline some of the ways that the College is working to make sure all students are ready and equipped for learning.

## Uniform

Any families experiencing difficulty obtaining uniform can seek support from the College. The State Schools Relief organisation has recently expanded the program to include more items. The College has also been able to implement a process where increased subsidies will enable more students to gain appropriate uniform. Our Year Level Engagement Coordinators, Sub School Leaders and Principal team are available to support the referral process.

## Digital devices / Netbook program

This program has been expanded to reduce barriers for students experiencing any financial difficulty. Increased flexibility in payment plan options are available to fit all budgets and can be arranged by contacting the main office.

## Materials fees and changes

As per the above, payment plans to suit all budgets are available. Please contact the main office to arrange a plan.

The above information highlights the College commitment to supporting all students so that they are ready and equipped for classes.

## Course counselling and subject selection

In term 3 all students in Years 8 to 11 will be involved in various forms of subject and course selection. Information for students on what they need to do and how this is done will be communicated via Life Skills, STEP and VCAL PDS classes, as well as via Compass newsfeed items. This is an exciting time for students as they begin to consider their future options. Our pathways team at the College is here to support students and are available upon request.

Our first major event in the course counselling process was held earlier this week. The Zooming into Senior Studies (ZiSS) program for our Year 10 students included some special guest appearances from past students. All of these past students communicated similar messages to our current Year 10 students.

These included:

- **Reward for effort** – Work hard and seek feedback for improvement. Results will reflect the effort you have put in and how you have applied feedback for improvement.
- **Follow your passions and interests** - This provides strong personal motivation for achievement
- **Ask questions and seek support** - Teachers and family members have excellent knowledge to draw upon. Looking after your overall wellbeing is vital to success.

I look forward to seeing how our current Year 10 students will apply the above through their senior years.

### **Gym and performing arts project**

This project is coming along well despite some minor delays to material availability. The projected completion date for the performing arts changerooms and toilets is now the end of August with the gym currently on track for February of next year.

*Performing Arts changerooms*

*Slab completion of the gym*

### **Bus and student transport**

Some plans have been developed to move the current location of the school bus stop from Brunt street to Clarendon street. These plans will need to be approved by various levels of government. If successful the implementation of the changes will see reduced congestion of bus traffic at the front of the school as well as reduced need for our students to access the Lyall street bus exchange. Thanks to the school community for your input and patience as this solution is developed. I remain optimistic that a significant change will be implemented and operating by early 2022.

### **Some changes to our calendar of events**

#### **Moderation sessions**

These have been rescheduled and will now occur on Thursday 5th and Thursday 12th of August. Classes will finish at 2.30pm on these days. Thanks to the school council for their support of the implementation of these sessions for our staff.

#### **Pupil free day**

This was originally schedule for Wednesday 11th August. It has been postponed until further notice. Pupil free days provide an excellent opportunity for both myself and the College staff to continue their professional learning, however, in light of recent disruptions to our onsite programs I have made the decision to postpone this until later in the term. When a new date is decided it will be communicated via Compass and Facebook

#### **College Production**

This has also been postponed to later in the term. Our staff and students have been working with passion and resilience to make sure this happens. Please see article later in the newsletter.

#### **EID celebrations**

This too has been postponed. The students involved in this have worked tremendously hard and shown great leadership to prepare this performance. They have also been invited to perform at a local primary school. When these performances are able to occur for live audiences, we will communicate the details to the community.

Finally, our parent opinion survey will be commencing soon and I would encourage parents to provide your thoughts on our school. This feedback is important to us and has an impact on informing future improvements.

Many thanks,  
David Caughey  
College Principal

## College Office Hours

Mon: 8:15 am – 4:00 pm

Tue - Fri: 8:00 am – 4:00 pm

## A Word from the Office

With the return to onsite learning, please read the following:

**Face masks** - The use of face coverings will be required onsite and in classrooms. It is important for students to be prepared with their own face masks.

Students or staff who have a medical condition - including problems with their breathing, a serious skin condition on the face, a disability or a mental health condition are required to obtain an exemption letter from the College Principal. Application forms can be collected from the front office.

**Hand sanitisers** - Students and teachers are requested to use the hand sanitisers, which are located at the entrance of all classrooms.

**Food Packs** - The College is facilitating a contactless delivery of supplies to students' homes. We have put together some packs of food from the supplies we would use when we run our Breakfast Club at school. If you would like a pack please contact the office on (03) 5996 3544 to arrange for a contactless pick up.

**Attendance** - Arrive ready for learning. Parents are asked to keep the College informed of any challenges in this area.

**Wellbeing** - Seek the support you require. The College has a range of supports that are in place across the whole school as well as for smaller groups, through to individuals.

**Learning program** - Every lesson counts. Our staff are focused on making sure that all students are supported to make a purposeful and productive return to the classroom.

**Mobile Phones** - Mobile phones are not permitted at Cranbourne Secondary College. Please make sure your phone is turned off and is stored in your locker. View the Mobile Phone Policy on our College website: <https://cranbournesc.vic.edu.au/our-college/policies-documents/#policies>

**Collecting your child** - If you need to pick up your child, please provide a note or call the office ahead of time.

**Lost Property** - If you have lost an item of clothing, please see Ms Arnott in First Aid.

Thanks for your support and encouragement of your children during the most recent remote learning period.

We are all thrilled to see our students and teachers return to our College.

# Geography Competition

The VCE Year 11 Geography students participated in the Australian Geography Competition in March. The Competition focused on Geography skills and any student who achieved a score in the top 5% of Australia were asked to attend a Geography Camp.

The following students received excellent results:

- Jordan Budiono received a Distinction
- Chelseigh Prioste received a Credit

Student comments about the competition:

- *"I found it very interesting and quite challenging."*
- *"The competition was good to do and made me realise that Geography is very broad."*
- *"Lots of different skills that I had never used before."*
- *"It was good to do something different from normal class"*

Congratulations to Jordan Budiono who received a Distinction award in the 2021 Australian Geography Competition. Jordan's Geography Teacher, Ms Verity presented him with his Certificate.

Congratulations to Chelseigh Prioste who received a Credit (seated in the front row). Congratulations also to the rest of the class who received Participation certificates.

## Digital Technologies

Our students have been challenged and enriched by the e-learning and Digital Technologies opportunities offered at our school so far this year.

We have updated and improved our Year 7 and 8 Digital Technologies curriculum and we have provided many other opportunities for digital skill building for all of our students.

The above photo shows some of the array of opportunities afforded our students so far this year, including enriching sessions at Casey Tech, and fun, challenging classroom programs.

## Multipride Leadership opportunities for students

**Multipride meet on a regular basis**

**Where:** W4

**When:** Every Wednesday at lunchtime

**Time:** 1:25 pm - 2:10 pm

Multipride promotes the following principles within the school:

1. No Bullying
2. No Racist comments or stereotyping
3. Co-operation with others
4. Making people feel welcome and safe within the school
5. To be inclusive of others and not be exclusive
6. Celebrate Multiculturalism

Please see Mr Massouris if you require further information.

## JOOCEBOKS RAISE THE ROOF!

The SRC Performing Arts Leaders organised the band Jooceboks to play a free concert on Friday 18 June during lunchtime in the canteen.

It's been many months since the band last played live and the members of the band thought this would be a great way to celebrate.

Thanks to our Performing Arts Captains for organising this event. Students all adhered to Victorian Government health advice and wore masks and observed social distancing protocols.

## College Grounds Upgrades

Our College is looking fantastic thanks to our Facilities Team, who have been busy working on the grounds and maintenance indoors and outdoors over the holidays.

A new mod grass area is being constructed, which will include Four Square and other activities for students to use. This should be completed soon.

Our Year 7 and 8 class captains are also working on some designs to improve the outdoor space near C Block and Stawell Street – watch this space for updates.

## Four Square Competition

Our first College Four Square Competition was held at lunchtime on 23 June. There were 50 eager participants all excited to compete.

Congratulations to our winner Pera from Year 7, and well done to our runners up Jericko, Shuja and Rodney, all of Year 7.

We look forward to holding more of these competitions in the future.

Our students' reactions to the competition says it all:

- *"Today was heaps of fun, when is the next one going to be?"*
- *"I am proud of myself for making it through to the next round"*
- *"This is Awesome!"*

## We want our Parents/ Caregivers/Guardians to tell us what they think!

Our school is conducting a survey to find out what parents/caregivers/guardians think of our school.

The Parent/Caregiver/Guardian Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents/caregivers/guardians (previously known as the Parent Opinion Survey).

It is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, student engagement and experiences of remote and flexible learning. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Approximately 30 per cent of parents will be invited to participate in this year's survey. All responses to the survey are anonymous.

**This year, the Parent/Caregiver/Guardian Opinion Survey will be conducted from Monday 19th July to Sunday 22nd August.**

The survey will be conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Mandarin, Chin (Hakha), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

Our College results will be communicated to parents/caregivers/guardians in our Annual Report.

- Last year we used the survey results to plan to improve the literacy & numeracy standards of students across the school.
- Adopt a collaborative and evidence based approach to plan for high quality and differentiated teaching & learning.
- To improve the wellbeing of all students and to create a learning environment where student voice allows them to take ownership and responsibility for their own learning.

Please speak to your child's Pastoral Care Teacher if you would like more information.

## STEM Program

A partnership between our school and the Casey Tech School provides us the ability to share our learning facilities so our students benefit from innovative and real-world education programs in partnership with local industries and community groups. This helps to prepare our students for the jobs of the future.

Our STEM program emphasizes the vital Enterprise and Science, Technology, Engineering, Arts and Mathematics (STEAM) skills needed for the 21st century.

Dan McCusker from Casey Tech School presented a specialist lesson on 3D printing with our Year 10 STEM class to explain their use and maintenance.

## Business Partnering with Education

### Scholarship opportunity for Year 10 students

Applications are now open for a scholarship supporting Year 10 students facing economic, family or social challenges that impact their studies or capacity to achieve their tertiary pathway. The three-year Australian Business and Community Network (ABCN) Accelerate Scholarship program provides students with a dedicated corporate mentor and financial support.

This includes time with the mentor to help set goals and develop valuable workplace skills and \$7000 in financial assistance over a three-year period.

Students can spend the financial assistance on study materials, education costs and transport.

#### Eligibility requirements

All Year 10 students who are Australian citizens or permanent residents are eligible to apply.

Students must also meet two out of the three categories to be eligible:

- demonstrated commitment and high engagement in academic schoolwork
- demonstrated responsibility and organisation as a leader at school or in extra-curricular activities
- demonstrated commitment and dedication to community service and sports, including those in need and their extended family unit or team.

#### How to apply

Interested students should speak to Mr Taig, Ms Gunn or Mr Jones about the application process and their eligibility.

As part of the application, students must submit a short essay addressing the topic 'The difference this ABCN scholarship will make to my life and the community around me', and include the following responses:

- the benefits of having a mentor
- what the student would use the scholarship funds for
- the impact they would have in their community.

The application must be submitted by the College Principal on behalf of the student.

**Applications close Friday 20 August.**

Scholarship recipients will be informed in October 2021.

## Kisses Production

Our annual College Production is set to hit the stage in the last week of Term 3. As a result of the latest lock down, the difficult decision was made to postpone the production season for the show.

The new dates for our show are Thursday the 16th of September, Friday the 17th of September and Saturday the 18th of September. All shows begin promptly at 7:00pm.

Tickets are on sale at TryBooking - <https://www.trybooking.com/BSWQI> for \$12 each or \$40 for a family of 4 (2 adults and 2 children). Please take note that there are restrictions regarding the capacity of our theatre and therefore you should get in early to avoid disappointment.

Please be aware that all of the tickets purchased prior to our change of date have automatically transferred over for the same night of the week.

For example – if you had purchased a family ticket for Saturday the 7th of August – your tickets have automatically transferred over to a family ticket for Saturday the 18th of September.

If you would like to change these please email Linda McGloin at [Linda.McGloin@education.vic.gov.au](mailto:Linda.McGloin@education.vic.gov.au) and identify the name of the booking, the tickets and the outline the change required.

If you have any questions regarding our show please contact Linda McGloin.

## Work Experience 2021

The Work Experience program is an important and compulsory part of the learning framework for Year 10 students at Cranbourne Secondary College. It is designed to enhance your social and work readiness skills to allow career exploration and to generally help prepare you for learning and life after you leave the College.

The program requires students to work for a chosen employer (not parents) for five working days in the second last week of term 3.

A very successful Work Experience program sees many students go voluntarily into workplaces to observe and learn some job skills in a field of interest. Work Experience is also valuable in raising students' awareness of how the workforce operates and the training and personal qualities required for particular jobs.

## Why do Work Experience?

- To improve your understanding of the work environment
- To learn which skills and competencies are required in the workplace
- To become more aware of the demands of specific occupations
- To explore possible career options and to assess your suitability to pursue a particular career path
- To develop organisational and planning skills in arranging your own work experience
- To gain confidence and skills in approaching employers by telephone, personal visit or letter
- To improve communication and interpersonal skills by working with people whom you do not know and adapting to a new environment
- To improve written skills in terms of resume, application and thank you letter writing
- To receive an evaluation which may be used as a reference for casual employment
- To gain experience, which may be directly relevant to the course you wish to pursue

Remember the golden rule is: ***"The harder you try, the harder we try".***

It is important the STUDENT rather than the parent does this ground work and job searching. This is part of the experience (as is rejections!)

# Careers and Head Start News

Cranbourne Secondary College students are supported by the Head Start program which is a mentored apprenticeship and traineeship program. This program is open to any student from Year 10 and above. It is an opportunity to enhance student learning by allowing young people to start their career while still at school. Our aim is to ensure that students complete Year 12 as well as developing and demonstrating the required employment skills and knowledge.

Students may elect from a broad range of industry sectors. So during the ZiSS period, have you considered if a Head Start assisted apprenticeship or traineeship is appropriate for you?

Consider if this program might be right for you, it is open to all VCE and VCAL students. Contact the Head Start team via [headstart.outSE@education.vic.gov.au](mailto:headstart.outSE@education.vic.gov.au) or pop down to the Pathways area and talk to a member of the team.

These are some of the young people who have begun their career in their chosen field. Congratulations!

## /HEADSTART APPRENTICESHIPS AND TRAINEESHIPS

Kyle - Engineering Apprenticeship with BF Welding and Metal Fabrications

Chloe (pictured left) has successfully completed her Head Start program. Chloe completed Year 12 VCAL last year and continued on to complete her certificate III in Business earlier this year.

She is still working with Aims Building Group - the same company that she did her traineeship with while still at school. Chloe is a perfect example of what the support of Head Start can do for a student. Well done Chloe!

## Library Olympic Games

### Olympic Games Tokyo 2020 (2021 due to COVID) 23 July 2021 - 8 August 2021

Cranbourne Secondary College's Library Olympic Games challenge is created to engage you in a competitive and inclusive challenge that will inspire you to read more, read with your friends and to use books to help you complete enjoyable tasks.

You can complete any or all tasks individually or in teams. This will **earn points for your form group**.

For an even playing field, books are to be borrowed from our E Books Platform collection. These can be accessed via Compass. Click on the star and then select 'E books Platform'. Enter your Compass username and password. Hint – scroll to the bottom of the E Platform main page to select categories. You can only borrow one E Book at a time and it's good sportsmanship to immediately return it for the next competitor.

#### Challenge 1: Flag design

Design your own flag, which includes reference to a book that inspires you. It can be a personal flag or make a team flag. Include the names of your group members. We will display the flags on our library Olympic Games display.

#### Challenge 2: Pictogram design

Design a new set of Olympic Pictograms for reading in a variety of imaginative ways. Reading while surfing, reading while rowing, or maybe reading while riding a horse?

#### Challenge 3: Reading Challenge

Record the title and author of the books you read plus your name and your partner. You must choose a different eBook for each event.

Note: we can see if you are cheating on E Platform.

**Artistic Gymnastics:** Read 3 Picture Books

**100m Sprint:** Read a short story

**Marathon:** Read for 30mins straight

**Triathlon:** Read the first chapter of 3 books by 3 different authors

**Weightlifting:** Read a book of more than 200 pages

**Relay:** You and a friend read the same book.

**Equestrian:** Read the first chapter of a book with an animal on its cover or title.

Submit your designs and results on our Library Microsoft Team.

## Submissions due by Friday 13th August

### PRIZES FOR THE WINNERS!

## Library News cont.

### Library Olympic Games Exhibition Event

#### E Book Promotion

For your final challenge in the Library Olympic Games, choose one of the E Books you read during the Olympics and promote it.

Create your own pictures, reviews, ratings or a video recording.

This final event will be judged at the end of our Library Olympic Games on Friday 13th August.

Library Design - NAIDOC Week Celebrations 2021

Students working onsite in the Library during remote learning

# NAIDOC Week

Our students took the opportunity to participate in a range of activities to support our local Aboriginal and Torres Strait Islander community. Our special lunchtime event on Thursday 22 July, provided our school community the opportunity to come together and celebrate NAIDOC week.

# Singing the Praises of our ex-student

On Tuesday 27th July our College conducted an event that involved some of our past students talking to our Year 10 students about their Pathways experience since leaving Cranbourne Secondary College.

Over the coming months, Cranbourne Secondary College will be launching an Alumni website and engaging past students to help and inspire current students.

One of our very own former students Gemma Rourke graced our stage and classrooms back in mid 2010s. Gemma's performance of a cover of the song lyrics "Let it Go" originally by English singer-songwriter, James Bay, who also released his single "Hold Back the River", is just exhilarating. Such an inspiration to all aspiring artists.

Gemma performs this song magnificently showing us all that this school has a rich, deep and varied history of experiences. Enjoy!

## Let It Go - song lyrics

From walking home and talking loads  
To seeing shows in evening clothes with you  
From nervous touch and getting drunk  
To staying up and waking up with you

Now we're slipping near the edge  
Holding something we don't need  
All this delusion in our heads  
Is gonna bring us to our knees

So come on, let it go  
Just let it be  
Why don't you be you  
And I'll be me?

Everything that's broke  
Leave it to the breeze  
Why don't you be you  
And I'll be me?  
And I'll be me

From throwing clothes across the floor  
To teeth and claws and slamming doors at you  
If this is all we're living for  
Why are we doing it, doing it, doing it anymore?

I used to recognize myself  
It's funny how reflections change  
When we're becoming something else  
I think it's time to walk away

So come on, let it go  
Just let it be  
Why don't you be you  
And I'll be me?

Everything that's broke  
Leave it to the breeze  
Why don't you be you  
And I'll be me  
And I'll be me

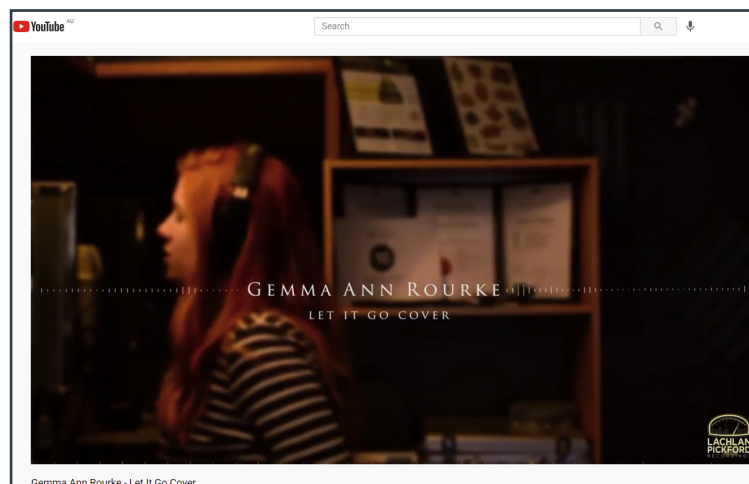

Tryna fit your hand inside of mine  
When we know it just don't belong  
There's no force on earth  
Could make me feel right, no

Tryna push this problem up the hill  
When it's just too heavy to hold  
Think now is the time to let it slide

So come on, let it go  
Just let it be  
Why don't you be you  
And I'll be me?

Everything that's broke  
Leave it to the breeze  
Let the ashes fall  
Forget about me

Come on, let it go  
Just let it be  
Why don't you be you  
And I'll be me?  
And I'll be me

## VicRoads Learner Permit Test Online (LPTO)

All prospective learners from across the state are now able to sign up and enrol in the new Learner Permit Test Online (LPTO).

### About the LPTO

The Learner Permit Test Online (LPTO) is a 4-6-hour interactive course and assessment that teaches new drivers about the road rules to follow when driving in Victoria and important ways to develop safe driving behaviours. Applicants can self-enrol and complete the course online using any compatible device.

The LPTO is a competency-based course focusing on road safety (including safe systems, vehicles, speed, routes, drink and drug driving, seatbelts, fatigue and distractions) and road rules (including parking, hazardous situations, giving way, road signs, road markings, licence sanctions and sharing the road with others).

The new test includes a mix of theory, interactive videos and visual graphics to reinforce road safety messages. Applicants move through 'gated' topics by reading road safety information and answering mini quizzes to check their understanding of the topic before they progress through to the final assessment.

Outside of COVID-19 restriction periods, learners can still sit the Learner Permit Test in person at their nearest VicRoads Customer Service Centres. Learners requiring interpreter services support will need to attend the test in-person at a Customer Service Centre.

## DOVETON SHOW...Join in the fun!

### Volunteers needed!

**Date:** Sunday 19 September 2021

**Time:** 10am to 4pm

**Venue:** Myuna Farm in Doveton

The Doveton Show is held each year at Myuna Farm in Doveton. This event attracts more than 27,000 people to Myuna Farm and is run by volunteers and supported by local business. It was originally created as an affordable alternative to the Melbourne Show.

The show includes, stalls, showbags, rides, animals and many other attractions all for a very small entry fee.

If you would like to volunteer at this year's show, please fill out the volunteer form via the below link to register your interest.

Please note that training will be provided so prior experience is not necessary to volunteer!

All volunteers must complete the following training  
COVID-19 infection control training | Australian Government Department of Health.

### Areas of help needed:

- Animal Nursery
- Kids activities
- Refreshments
- Program distribution
- Concierge
- Stage assistants
- Setup assistants
- COVID Marshals

There are incentives and benefits to volunteering with the Doveton Show. Interested? Please read the [volunteer information form](#).

If you encounter any issues or are unsure of something, or would just like to communicate with the Committee, please email [info@dovetonshow.org.au](mailto:info@dovetonshow.org.au) for assistance.
