TO OUR 2021 YEAR 12 STUDENTS

# CONGRATULATIONS

WE ARE EXTREMELY PROUD

Dear Year 12 students of Cranbourne Secondary College,  
Congratulations on the completion of Year 12.

Successfully completing secondary school is a wonderful achievement. In order to reach this point you have shown great resilience, determination and commitment. The ability you have shown to manage your schooling alongside numerous challenges throughout 2020 and 2021 is something that should fill you with immense pride.

Along with all of your teachers at Cranbourne Secondary College I would like to wish you all the very best for your future. I would also like to take the opportunity to remind you that although your formal education may be coming to an end your learning through life continues. The skills you have gained in navigating the demands of senior schooling can now be applied in the next steps of your journey.

I look forward to hearing of your future achievements and would encourage you to share these with your teachers and future students at the College. You are always welcome to return and share these experiences and learnings with our school community.

Thanks for being fantastic representatives of the College.
