*Our school leaders greeting our students at the school gates*

# Principal's Report

Dear Parents, Carers, Families and Students,

Welcome to the new school year!

It is wonderful to be back on site with our students in classrooms engaged in learning. It also fantastic to see students socialising and being active during break times and reconnecting with peers and staff.

I would like to extend a special welcome to our new students and families of Year 7. Beginning secondary college is a special and exciting time for young people. I am looking forward to getting to know our Year 7 students and being a part of their journey through the College. It was great to see so many parents at our annual welcome breakfast. Thanks to those parents and carers that were able to attend.

Our school leaders have enjoyed greeting our students at the school gates each morning. This has also enabled us to recognise students arriving on time and in full school uniform and to welcome them into the College. This routine will be continuing in the foreseeable future as it also enables our staff to begin the process of providing learning and resource supports to help students meet the expectations of the College.

Parents and students are reminded of the following year level entrance points at the beginning of the day:

- Year 7 and 8 – Junior school gate on Stawell Street near the corner of Russell Street
- Year 9 and 10 – Middle school gate on Stawell Street near the corner of Brunt Street
- Year 11 and 12 – Brunt Street entrance near the Community Theatre

I am also pleased with the launch of our empowering learners program as a reintroduction to onsite schooling. A key part of this program is to work with students to help them understand College expectations for learning and behaviour, while also supporting students to understand the voice and agency they have in their learning. Student feedback on the program has been gathered and will be used to help the College to improve implementation into the future.

## COVID safe practices

Thank you to all members of the school community who have taken the appropriate steps to protect yourselves and others against COVID-19. The initial batch RA tests has been distributed with the second round of tests being provided to students before the end of week 3. Thanks also to students and families for keeping the College informed of absences and staying at home when unwell – this relatively simple step is the safest approach for all.

Over the summer break the College received a large quantity of air purification devices that are now operating successfully in classes. It is also pleasing that students continue to follow instructions regarding suitable face coverings.

## Uniform and Learning resources

Any families experiencing difficulties in making sure students have all of the required equipment and uniform for school are encouraged to get in touch with the school. By doing so we can work together to develop a plan to ensure students are equipped for success during their time at the College. The College works closely with State Schools Relief to support students and families, more information can be found on pages 13 and 14 of the newsletter.

## Bell time and buses

Families are reminded that the start time of classes is 8.43 with dismissal at 3pm. These changes to our times enable any students catching a school bus – departing from Brunt Street – to access these services.

Thanks again for your support and I look forward to working with you in 2022.

David Caughey  
**College Principal**

# Office Processes

## Attendance

Please make sure you are on time and in uniform each day. If for any reason you are late arriving to school, please provide a note outlining your reason for your absence.

## Contact details

Accidents happen! Would we be able to reach you if your child was involved? It's imperative that you advise the College of any changes to your contact details.

## Collecting your child

If you need to pick up your child, please provide a note or call the office ahead of time.

## Face masks

Please see the following information regarding wearing of Face Masks at Cranbourne Secondary College (unless a lawful exception applies):

- Students must wear a face mask indoors
- School staff are required to always wear masks indoors when not actively teaching or communicating with students
- Everyone over 8 years old must wear a face mask when travelling to and from school on public transport, taxis or ride share vehicles
- Visitors to schools aged 8 and above must wear a face mask in all indoor spaces, unless a lawful exception applies.

## Hand sanitisers

Students are required to use hand sanitiser when they enter and leave the front office.

## Lost property

If you have lost an item of clothing, please see Mrs Arnott in First Aid.

## Food packs

The College have food parcels and other items available to support families. Please contact the College on 5996 3544 if you would like to access one of these parcels.

## First Aid

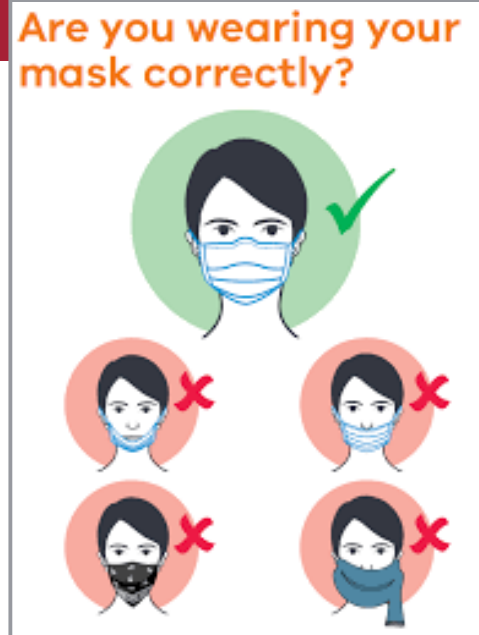

If your child feels sick or is generally unwell, please do not send your child to school until they are well enough to return. Please remember to provide a medical certificate for their absence.

## COVID-19 symptoms

In the interest of protecting the school community, if your child is unwell, please keep them at home.

## Asthma Action Plan

If your child is an asthmatic, please provide our College with a new or updated Asthma Action Plan. Please see Mrs Arnott in First Aid.

# School Council Elections 2022

An election is to be conducted for members of the College Council of Cranbourne Secondary College.

Nomination forms may be obtained from the College and must be lodged **by 4.00 pm on Tuesday 22nd February 2022**.

Following the closing of nominations, a list of the nominations received will be posted at the College.

The terms of office, membership categories and number of positions in each membership category open for election are as follows:

MEMBERSHIP CATEGORY	TERM OF OFFICE	NUMBER OF POSITIONS
Parent member	From the day after the date of the declaration of the poll in 2022 to and inclusive of the date of the declaration of poll in 2024.	4
School employee member	From the day after the date of the declaration of the poll in 2022 to and inclusive of the date of the declaration of poll in 2024.	4
Student member	From the day after the date of the declaration of the poll in 2022 to and inclusive of the date of the declaration of poll in 2024.	2

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

If the number of nominations is greater than the number of vacancies, a ballot will be held with voting to take place **between 8.00 am on 28th February and 4.00 pm on Wednesday 9th March 2022**.

If the number of nominations is equal to the number of vacancies the ballot will be considered finalised with all vacancies filled.

Additional information is available on the College website and from the Main Office. <https://cranbournesc.vic.edu.au/our-college/school-council/school-council-notice-of-election-and-call-for-nominations-2021/>

## WHAT IS A SCHOOL COUNCIL AND WHAT DOES IT DO?

All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within statewide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

## WHO IS ON THE SCHOOL COUNCIL?

For most primary school councils, there are three possible categories of membership:

- A mandated elected Parent category – more than one-third of the total members must be from this category. Department employees can be Parent members at their child's school as long as they are not engaged in work at the school.
- A mandated elected school employee category – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.
- An optional community member category – members are coopted by a decision of the council because of their special skills, interests or experiences. Department employees are not eligible to be community members.

A small number of school councils have Nominee members.

For all schools with a Year 7 and above cohort, there is an additional category of membership: A mandated elected student member category, with two positions.

## HOW LONG IS THE TERM OF OFFICE?

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

## WHY IS PARENT MEMBERSHIP SO IMPORTANT?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying and may also find that their children feel a greater sense of belonging.

## DO I NEED SPECIAL EXPERIENCE TO BE ON SCHOOL COUNCIL?

Each member brings their own valuable life skills and knowledge to the role. Councilors may need to develop skills and acquire knowledge in areas that are unfamiliar to them. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

## HOW CAN YOU BECOME INVOLVED?

The most obvious way is to vote in the elections, which are held in Term one each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might consider:

- standing for election as a member of the school council
- encouraging another person to stand for election.

## WHAT DO YOU NEED TO DO TO STAND FOR ELECTION?

The principal will issue a Notice of Election and Call for Nominations following the commencement of Term one each year.

All school council elections must be completed by the end of March unless the usual time line has been varied by the Minister.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

Department employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the school council at that school.

Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election.

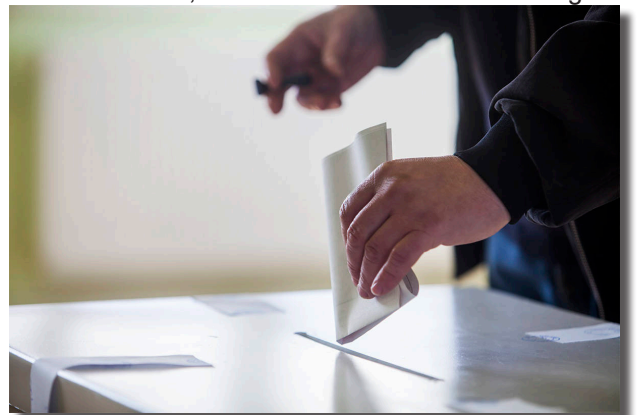

You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

## REMEMBER

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.

**Contact the Principal for further information.**

## 2022 Year 7 Welcome

It was a great turn out this morning as our Year 7 students settled in for their first day of secondary school. A breakfast was provided for both parents and students, before a welcome from our College Principal Mr Caughey and Year 7 and 8 Leader Ms Halm.

Our students will undertake a range of activities to support and empower them to make a positive transition to the College.

Welcome and good luck to our Year 7 students!

## Empowering Learners

At Cranbourne Secondary College, we provide a dynamic learning environment that emphasises the importance of community relationships and learning. Our purpose is to provide a challenging and stimulating learning environment where students work independently and collaboratively to support them to take responsibility for their learning. This year we ran a successful induction and transition program to support this vision and purpose.

To support student induction and transitions into and through school, we ensure our practices and programs provide appropriate personal, social and academic supports to promote student engagement and wellbeing. We recognised that students were likely to need additional support to adjust to changes due to ongoing pandemic-related disruptions of moving between remote and flexible and face to face learning in the past. To formalise and respond to this need, we introduced a school wide transition program called Empowering Learners.

This program focused on how we learn at Cranbourne Secondary College including, the importance of having a growth mindset, how we can learn with and from each collaboratively, study skills for senior students and visual thinking routines to support learning. The program also included strategies and tools for students to better understand and positively impact their learning data and progress.

For our new Year 7 cohort the week began with the College's annual Welcome Breakfast.

The student's and their families were invited into the College to share breakfast to help ease any first day nerves. College Principal, Mr David Caughey addressed the students and their families and welcomed them into the college community as they begin their secondary school journey. By the end of the week Year 7's had had the opportunity to meet a wide variety of students and staff in different learning environments and experiences but a definite highlight of the week for them was the school wide scavenger hunt facilitated by Urban Quest.

With a strong start to the beginning of the year, we look forward to all students at Cranbourne Secondary College experiencing success in 2022.

# Locks and Lockers

At Cranbourne Secondary College, we use combination locks to keep our items and valuables secure. You will need to memorise your combination.

If you forget, please ask your Pastoral Care Teacher.

This locker will be yours for the year.

A well organised locker

What is wrong with this locker?

## Ready to Learn

It is an expectation at Cranbourne Secondary College that you are ready to learn for each of your classes.

- We wear the correct school uniform
- We bring the required equipment For EACH class you need to bring your netbook (charged), pencil case, exercise book and diary.
- We arrive on time You should be lining up outside of your classroom BEFORE the second bell rings.

Congratulations to both **Jonathane Ngodara** and **Momina Changizi** who are our 2021 College DUX students. Jonathane achieved an ATAR of 90.9 placing him in the top 9.1% of all students in the state.

## 2021 Year 12 Valedictory Dinner Celebrations

On Thursday the 16th of December we celebrated the graduation of our Year 12 students. It is always a bittersweet moment for school staff, having watched them grow and develop over a number of years we are excited for what the future holds for them but will miss them terribly as well.

We began the festivities as student entered the College taking memorable photos on the red carpet and classic cars and enjoyed some food and drinks.

The official ceremony was held in the theatre where students were each presented their certificates from their senior school teaching team; Ms Vernon, Mr Gauci, Mr Jones, Ms Fortnam and Ms Vines. As students were on stage, their Year 7 photo was projected behind them, showing just how much they have grown in their journey at the College.

The Acquisitive Art Prize which recognizes outstanding artworks and enables the college to keep an ongoing collection of artworks produced by selected senior students studying in the Visual Arts area.

This year's prize was awarded to Zsophia Tarrosa for her beautiful and thought-provoking mixed media painting on canvas which showcased her outstanding ability to create a visually captivating portrait.

College Principal Mr Caughey had the pleasure presenting the following Special Recognition Awards for Graduates:

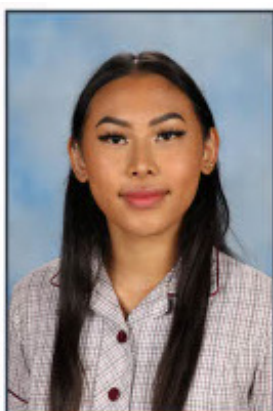

- **Australian Defence Force 2021 Long Tan Leadership and Teamwork Award:** Emily Ben
- **Australian Defence Force 2021 Future Innovators Award:** Thomas Macauley
- **Cranbourne Community School Awards: Community Spirit:** Emily Ben
- **VCE PBS:** Ian Emmanuel Sinoy
- **VCAL PBS:** Esther White
- **Cranbourne Community School Awards: Academic Growth:** Momina Changizi
- **Cranbourne Community School Awards: Healthy Active Living:** Chelsea Kimber
- **VCE and VCAL Dux:** Jonathane Ngodara (90.9) & Momina Changizi
- **VCE Valedictorian Awards:** Nimasha Susiripala
- **VCAL Valedictorian Award:** Vaimoana Faitala
- **Principal's Award:** Brodie Creighton

Our College leaders Tia Garlick, Elijah Jones, Zac Lumley, and Emily Ben shared special messages for their peers to reflect on their time at school and to transition to their future.

After the ceremony the celebrations moved to the gym where students received a gift from the College which students signed as mementoes and continued celebrating the evening.

# School Photo Day

Our College photograph days are scheduled to commence on Monday 14 February and subsequent dates include Thursday 17 February and Thursday 3 March. Please make sure your child attends school in the correct school uniform.

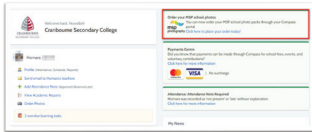

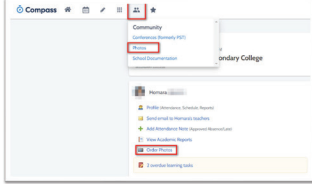

## How do I order my photos?

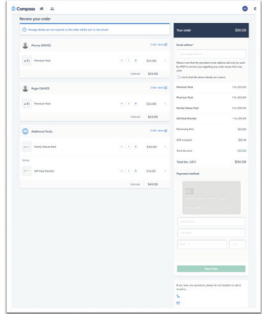

To order your photos through MSP Photography, log into Compass and follow the instructions below. The photo order guide is also available on our College website at <https://cranbournesc.vic.edu.au/enrolments/school-photos/>

**1** In most cases, a link to the ordering page will appear above the 'My News' section as shown in the picture on the right.

**2** If the link does not appear above the 'My News' section, please select the Community section (identified by the two people icon) and select photos, or select 'Order Photos'.

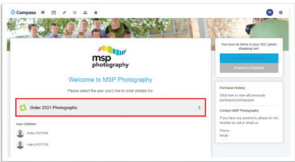

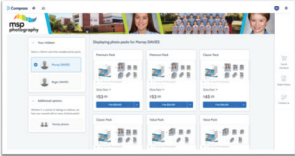

**6** Your order will then appear. Confirm your order is correct, tick the verify button to approve the order, and, after entering your card details, click the 'Place Order' button at the bottom of the screen to complete your purchase.

**3** Once selected, you will navigate to the ordering portal.

**Previous Orders Note:** You will be able to order previous years photos at any stage and these will be displayed on this page. If you previously logged in and did not complete your order, you will see that your selected pack is still available in your cart and you can take a shortcut to the checkout by selecting 'Proceed to Checkout'.

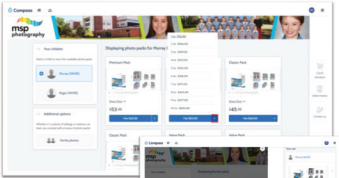

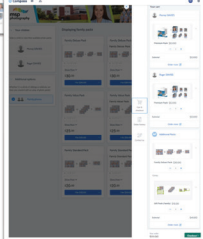

**4** Once you have navigated to photos, the available school photo packs will appear. You will be presented with different pack options. Select your preferred pack. You can also explore additional options, such as family packs, in the left column.

**5** Click the drop-down, then choose your desired quantity from the list.

This selection will then be visible in the shopping cart. You can continue to add items to your order until you are satisfied.

# Mobile Phone Policy

Mobile phones are not permitted at Cranbourne Secondary College.

Please make sure your phone is turned off and is stored in your locker.

## Mobile Phone Policy extract

Cranbourne Secondary College understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Cranbourne Secondary College:

- Students who choose to bring mobile phones, personal music players, personal mobile devices and wireless headphones to school must have them switched off and securely stored during school hours including recess and lunchtime.
- Exceptions to this policy may be applied if certain conditions are met (see Mobile Phone Policy on the Cranbourne Secondary College website)
- When emergencies occur, parents or carers should reach their child by calling the school's office on 5996 3544.

# Kisses Production News

Despite our best intentions and all of our hard work – the Production Team have made the final decision to cancel our College production of ‘Kisses’.

After the repeated interruptions to our rehearsal schedule in 2021 which resulted in us postponing our show until March this year, we have simply had too many of the lead cast members unable to continue with their roles making it impossible to produce the show to the high standard and vision that we have for the time we have remaining.

Our plan is to run a Talent Show event at the end of Term 1 that any and all students who audition for can be a part of. This is an excellent opportunity for anyone to be on stage and display their skills and talent to the wider College community. The Performing Arts Team will be running a meeting about this event in the first few weeks of Term 1 so stay tuned!

Please, if any of you have any questions about the decision to cancel 'Kisses' or regarding the Talent Show, don't hesitate to contact me.

Again thank you for all of your hard work in 2021 on 'Kisses'. I know it would have been successful and we would have had a blast. Thank you to all the staff and members of our community who were assisting us with the staging of our show, specifically Mr Fowler, Ms Fortnam, Ms Robinson and Debbie Jenkins. Huge thanks to our Performing Arts Captains and senior students who were always eager and available to run rehearsals and communicate with students. I am sorry that we have been forced to make this decision.

Ms McGloin

# Bullying Prevention Utilising the Positive Behaviour Support Framework

In 2022 the College will be launching a student led and designed bullying prevention initiative. The School-Wide Positive Behaviour Support Leading Teacher assisted the students to utilise the PBS framework when developing their bullying prevention initiative. Research has demonstrated that teaching students prosocial behaviours including how to be an upstander (call out bullying behaviour rather than being a bystander) along with how to report bullying incidents greatly assist with reducing bullying. This is further supported by all staff having a consistent response to bullying. Below is an outline of our student led bullying prevention initiative.

## Teaching and reinforcing prosocial behaviours:

Each year in Life Skills (7-10), STEP and PDS (11-12) students are taught a learning sequence on the topic of bullying. This learning sequence covers the following key ideas. All staff are able to reinforce prosocial behaviours using behaviour specific praise/verbal reinforcement and credits.

Lesson 1	What is bullying? What isn't bullying? What are the types of bullying?
Lesson 2	<b>How can we prevent bullying? How can we stop bullying by being upstanders?</b> Prevent lessons: <ul style="list-style-type: none"><li>• We THINK before speaking, writing and gesturing</li><li>• We include others</li><li>• We keep our body to ourselves</li><li>• We acknowledge others have different opinions</li></ul> Response lesson: <ul style="list-style-type: none"><li>• We are upstanders</li></ul>
Lesson 3	<b>What can we do if we are experiencing bullying? What will teachers do if we report bullying? Where else can we seek help?</b> <ul style="list-style-type: none"><li>- Strategies students can trial independently to respond to bullying</li><li>- Teacher's response to unkind or mean behaviour that they observe</li><li>- Minor continuum of response</li><li>- Teacher's response to bullying when it is reported to them</li><li>- Two options: Support and strategies or Major continuum of response</li><li>- Other options for help seeking: Wellbeing team, online supports, phone supports, family and friend supports</li></ul>

## We are upstanders behaviour procedure

At Cranbourne Secondary College we are upstanders. This means we stand up and calmly speak out when we see bullying happening. Below is a behaviour procedure that all students will be taught. When a student uses the stop phrase "That's enough" the bully is to stop saying and doing whatever is hurtful/harmful and simply respond with the stop phrase response "OK".

## We are upstanders behaviour procedure

1. We notice when someone is being disrespectful, unkind, unsafe or mean. We notice if someone is feeling uncomfortable.
2. We don't laugh when someone has been unkind. We don't join in the unkind situation.
3. We stand up for ourselves by using the stop phrase **"That's enough"**.
4. We stand up for our peers/what is right by using the stop phrase **"That's enough"** or by calling it out calmly (using proper language) without creating a confrontation.
5. If we have been saying/doing the unkind thing we say, stop phrase response **"OK"**.
6. We support the person to move away from the unpleasant situation and tell an adult if something is wrong (We are upstanders). Staying calm and walking away is the mature thing to do.
7. We check in with that person, at an appropriate time and place, to see if they're OK.

### **Staff's consistent response to bullying or unkind behaviour that they observe:**

When staff observe, bullying, antisocial language or physical contact between students they are to use the below minor continuum of response which has been contextualised for the above two behaviours. Education Support (ES) staff are able to remind and reteach behaviours they are then to request the assistance of a teaching staff member to complete the remaining three steps (if necessary).

1. **Remind** the student to THINK before speaking, writing and gesturing/keep their body to themselves
2. **Reteach** the student how to THINK before speaking, writing and gesturing/keep their body to themselves
3. **Provide the student with a choice** to apologise/rephrase what they said/say something kind about the person OR ask the student to move seats/location. Moving seats/locations can also provide the student/s with an opportunity to calm down.
4. **Reengage** the student/s with their work or activity
5. **Conference** with the student, issue the logical consequence of time owed and record minor antisocial language or minor physical contact on Compass

### **Providing students with two options when they report bullying to a teacher:**

All students will be provided with the below two options when they report bullying to a staff member. These two options will be taught to students during Life Skills, STEP and PDS. Students are able to select any staff member they trust and feel comfortable reporting the bullying to. Students can select option 1 initially and then select option 2 at a later stage if the bullying has not been addressed by option 1. Students are also able to immediately select option 2, when they report the bullying to a staff member, if they feel this is the most appropriate option.

#### **Option 1: The staff member (not a CRT) listens to the student and provides strategies to trial (if required)**

1. The first thing the teacher will do is listen to what has been occurring
2. The teacher will then ask the student what strategies they might have already tried
3. The teacher can then support the student to brainstorm additional strategies (if required). If the student suggests a consequence the teacher will prompt the student to consider selecting option 2 (see below strategies).
4. The teacher will phone the student's parent/guardian to inform them of what has been happening and what strategies the student wants to trial. This will assist the parent/guardian to provide support. The teacher will tell the parent/guardian that we will be monitoring the situation as a team.
5. The student can return to the teacher at a later time and say they'd like to move to option two if option one hasn't addressed the bullying.
6. The teacher will check back in with the student in 2-3 days time to see how things are going and if the suggested strategies have worked. During this first check in the teacher and student will negotiate a second check in. The student will be encouraged to come and see the teacher at a particular time, but if the student is nervous or hesitant the teacher can arrange to find the student to check in for a second time.

#### **Option 2: A staff member can assist the student to work with a Year Level Engagement Coordinator (YLEC) to follow the major behaviour logical consequence steps**

- Major conference with both students (separately)
- Phone parents (of target and bully)
- Have parent meetings (SSGs)
- Issue consequences to the bully
  - Reflect and reset
  - Internal suspension
  - External suspension
- Offer mediation/restorative practice
- Offer student wellbeing team support
- The situation will be monitored by the year level team/s. Students will be encouraged to continue to speak to the year level teams if the bullying continues.

## Strategies to suggest to students during option 1

The below strategies will be taught to students during Life Skills, STEP and PDS. If a student reports bullying to a staff member and selects option 1 the below strategies will be discussed with the students as well.

- **Keep your distance from the bully/remove yourself from the situation**  
*You can ask your friends to hang out with you in a different location in the school yard or select a different seat in the classroom. If your class has a seating plan speak to your teacher and let them know you'd like to move seats as someone is bullying you.*
- **Don't bully them back**  
*People who bully others want attention. When you bully them back you are giving them attention and also giving them a reason to keep bullying you. It's best to walk away and ignore a bully that way they don't get the attention they are looking for.*
- **Practice responding**  
*Take some time to think about what you will say to the bully if they bully you again. Practicing what you are going to say in advance makes it easier for you to confidently say your response in the moment. Make sure what you say in response isn't also something that others would consider mean or bullying. You can practice responding with a friend, family member or trusted adult.*
- **Tell them what they are doing is not ok**  
*Use our College stop phrase "\_\_\_\_\_ " or politely tell them using other words that what they are doing isn't OK. Sometimes people think that their jokes are funny and they don't realise they are hurting you. It's important to speak up and let them know that what they are saying or doing is not OK.*
- **Control your emotions**  
*It's natural to get upset or angry when we are being bullied, but that's what the bully thrives on. Do your best to take a deep breath and walk away from the bully. Once you've moved away talk to a friend or an adult about what happened. Talking through what happened can help you develop strategies to respond next time and can help you to feel calmer.*
- **Talk to an adult you trust**  
*All students at Cranbourne Secondary College are encouraged to report bullying to a staff member that they trust and feel comfortable with. That staff member will provide you with two options to select from. See page 18 of the student diary for more information about these options. Alternatively you can speak to an adult you trust in your family, home or community group.*
- **Ask a teacher to help you restore or repair the relationship**  
*Sometimes two students might need an adult/teacher to help them work through their problem, difficulty or misunderstanding to become friends again or to learn how to be respectful acquaintances. For this strategy to work both the bully and the target need to feel comfortable and agree to take part in the restorative conversation.*
- **Take time to do something nice for yourself**  
*When we experience bullying we can often feel less confident, stressed or down. It's important to take some time and look after our self by doing something we find nice, enjoyable and relaxing. This is different for everyone but you might like to exercise, see a friend, listen to music, draw, watch TV or a movie, bake, read or go for a walk.*
- **Don't respond to online bullying**  
*Responding to the bullying online is giving them attention. This will encourage the person to continue bullying you. Ignore them, don't respond and delete the comment, message or post if you can.*
- **Block or unfriend people who bully you online**  
*If someone continues to bullying you online block or unfriend them so that they can no longer contact you online. This will prevent them from being able to bullying you online.*
- **Switch off your phone or computer and enjoy some offline time**  
*Taking breaks from technology (phones, computers, laptops, ipads and tablets) can help you to avoid bullying and create in person connections with your friends and family. Technology breaks also allow you to do some other things that you enjoy and find rewarding.*
- **Have someone help you report cyberbullying/Screen shot or save images of the bullying**  
*If the bullying online is ongoing/continual or is very severe/bad you can have someone help you report the bullying. If you screen shot and save images of the bullying this will help you to report the bullying.*
- **Request a referral to the student wellbeing team**  
*You can ask the teacher you have reported the bullying to for assistance with a referral to the student wellbeing team.*

*The student wellbeing team can support you to develop assertiveness, confidence and ways to manage anxiety and your emotions. A YLEC will enter this referral into Compass and a member of the student wellbeing team will contact you. Please note your parents might need to provide consent for you to see a member of the student wellbeing team.*

### **Recording major bullying on Compass:**

Staff will record all incidents of bullying on Compass. This will allow the Sub-school teams and Year Level Engagement Coordinators to track bullying behaviour over time, across classes and year levels.

### **Who do I contact if I have further questions about bullying or bullying prevention at CSC?**

If you have further questions about bullying prevention please contact the School-Wide Positive Behaviour Support Leader by phoning the College on 5996 3544. You can also download our Bullying Prevention Policy from the College website.

If you have questions about bullying that may be impacting your child or others at the College please contact the relevant Year Level Leader by phoning the College on 5996 3544.

# HeadStart Apprenticeships and Traineeships

Head Start is a program which allows students to complete their VCE or VCAL alongside an apprenticeship or traineeship. Head Start is designed to give students the confidence, capabilities and skills that employers in growth industries need.

Cranbourne Secondary College is the host school for Head Start in the outer south east. At Cranbourne SC we currently have students making significant progress towards their future careers in a wide range of vocational pathways such as commercial cookery, childcare and hairdressing. Our students are excelling in the workplace and establishing the networks and embedding themselves into secure post school opportunities. These students are able to leave Year 12 knowing that they are working within the roles and industry of choice and will continue building on their established solid foundations.

Students wanting to engage with this program are encouraged to collect an expression of interest from the Head Start Office located in the Careers and Pathways section of "W" block.

Students are expected to be managing the demands of school. Students need to be achieving academic progress and good attendance. An assessment of student's readiness to undertake the challenges of the program will be undertaken by the team. Support is available throughout the program in the form of academic as well as mentoring. Staff work closely with all parties to ensure that the student has the best opportunity to achieve success.

## Safe Around Schools

View the latest Safe Around Schools education animation from the City of Casey.

This animation is focused on School Crossing and is a great reminder for the beginning of the new school term.

With 93 Schools and over 200 school crossings in the City of Casey, we believe these animations will promote good road safety behaviour and outline the rules around creating a safer school precinct. We hope to see improved behaviour around the school crossings from pedestrians and drivers.
