

# CRANBOURNE SECONDARY COLLEGE

## COMMUNITY NEWS

At Cranbourne Secondary College we are a respectful, responsible, learning community.

Stawell Street, Cranbourne VIC 3977 T (03) 5996 3544

E [cranbourne.sc@education.vic.gov.au](mailto:cranbourne.sc@education.vic.gov.au) [www.cranbournesc.vic.edu.au](http://www.cranbournesc.vic.edu.au)

# From The Principal

Dear parents, students and families.

I hope all is well with you and your families.

As Term 1 draws to a close I would like to thank you for your support of the College and your contributions towards making this a successful start to 2023.

## Year level assemblies

During Term 1 of this year our Year Level Leaders and coordinators have worked to modify our year level assemblies to ensure greater consistency of celebration of student achievement. These assemblies are also used as an opportunity for students to share other skills and talents with their peers. Our student leaders and class captions are also supported to use the assemblies as a way of building their leadership skills and capabilities. The assembly schedule will aim to provide up to 3-year level assemblies per term.

## School tours

The College has been running a series of school tours for prospective families during Term 1. These tours will continue through Term 2 as families of Grade 6 students are making plans for secondary school in 2024. Families can book a tour via the College website. I would encourage all existing families to share this information with any prospective families. It is always a pleasure to share our wonderful school with the broader community.

## 2023 NAPLAN completion

Thanks to all parents, students and staff for their work in organising and supporting the implementation of the NAPLAN this year. Our student participation rate continued to be very high, and it was very pleasing to see students meeting our expectations of behaviour and commitment to the assessments.

## High Expectations matched with High Support

The above phrase is one that we have been working with over the last 12-14 months. It is a statement that guides our thinking and actions at the College regarding student learning and social behaviour. The expectations that we have for our students regarding academic achievement, as well as behaviours, is very high. Matching these expectations with appropriate supports is integral to our

approach.

A good example of our 'High Expectations matched with High Supports' is how the College manages uniform, punctuality and resourcing for classes.

I would like to extend an invitation for any families experiencing some difficulties with ensuring your young person has the necessary items for school to make contact with us – I am very confident we will be able to work together to make sure your young person has all of the correct uniform and learning resources for success.

## School council elections

The recent school council Annual General Meeting was held in February, and I would like to welcome the following new and returning members to the School Council.

- Eman Haidari – Student representative position
- George Massouris and Mila Milenkovich – elected Department of Education representatives
- Melissa Chasemore – newly elected Parent representative.
- Andrea Kilburn – Returning parent representative.

Congratulations to the members elected to the following roles on the council:

- Paula Sharp -re-elected as School Council President
- Kirstie Ogden – re-elected as School Council Vice President
- George Massouris - Treasurer

Many thanks and I look forward to working with you all this year.

**David Caughey**  
College Principal

# Attendance

At Cranbourne Secondary College we have a goal to improve the attendance of every student in 2023.

We are actively looking for ways to connect with each and every family at our school.

At the start of each week, Year Level Leaders create a Compass post, alerting you to important information for your child's particular cohort.

Parents have the opportunity to participate in the Parent Orientation Program (2 held each term). Information with dates and topics posted on Compass.

## Attendance is everyone's responsibility.

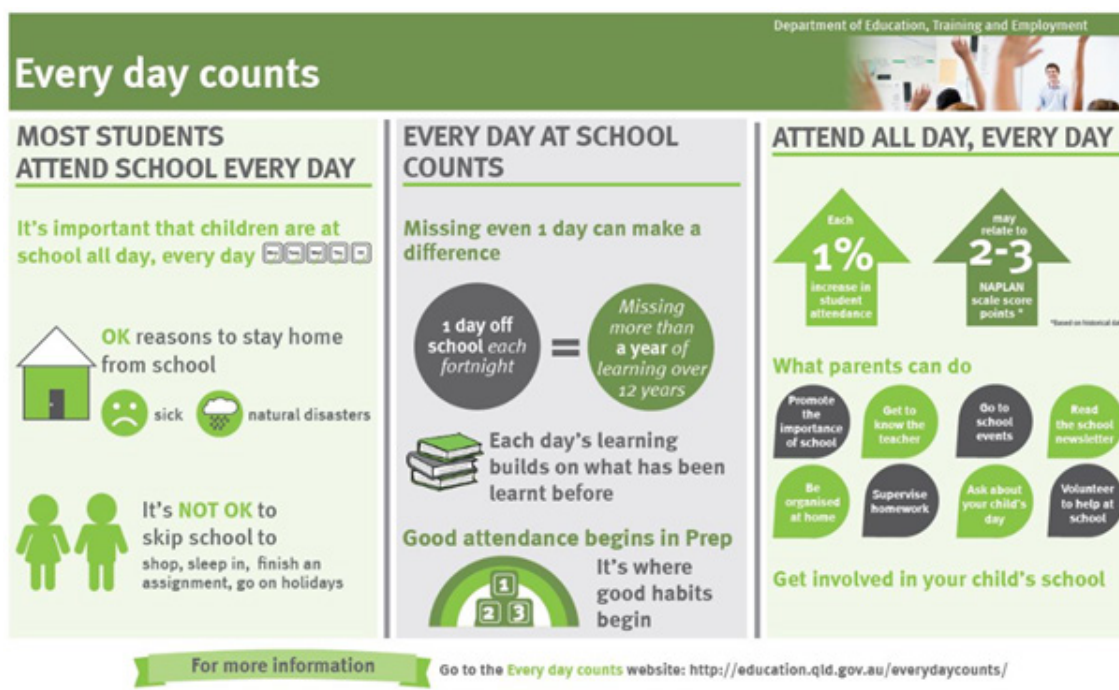

Going to school every day is the single most important part of your child's education. Students learn new things at school every day. Attending and participating in school will help your child develop:

- important skills and knowledge to help them learn
- social and emotional skills such as good communication, resilience and team work.

Children who attend school every day and complete year 12 have:

- better health
- better job opportunities
- higher income across their lives.

**There is no safe number of days for missing school. Each day a student misses puts them behind.**

Food Technology Classes

# Key dates - Term 1

5 April	Year 7 Gumbaya World
6 April	Whole School Athletics
6 April	Last Day Term 1
24 April	First Day Term 2 - STUDENT FREE DAY
25 April	PUBLIC HOLIDAY - NO SCHOOL
26 April	Term 3 Classes start

2 May	2.30 pm Finish
4 May	2.30 pm Finish
8 May	Parent Teacher Day 12 pm - 8pm

## Bell Times 2023

Period	Normal Day Time	2.20 Finish
Preparation Bell	8.50 am	8.50 am
Period 1	8.55 - 9.55	8.55 - 9.47
Period 2	9.55 - 10.55	9.47 - 10.39
RECESS	10.55 - 11.20	10.39 - 10.59
Period 3	11.20 - 12.20 pm	11.04 - 11.56
Period 4	12.20 - 1.20	11.56 - 12.48
LUNCH (40 mins)	1.20 - 2 pm	12.48 - 1.23 pm
Period 5	2 - 3 pm	1.28 - 2.20 pm
End of day dismissal	3 pm	2.20pm

## IT Office - Repairs

If students are having issues with their daybook devices, they are to visit the IT office during the following times:

- Before School
- Form Assembly
- Recess
- Lunch
- After School

Students should not be attending IT during class time.

## COLLEGE OFFICE HOURS

Mon - Fri: 8:10 am – 4:00 pm

## SOCIAL MEDIA

Keep up to date with all the latest news and information on our social media sites

## Year 9 News

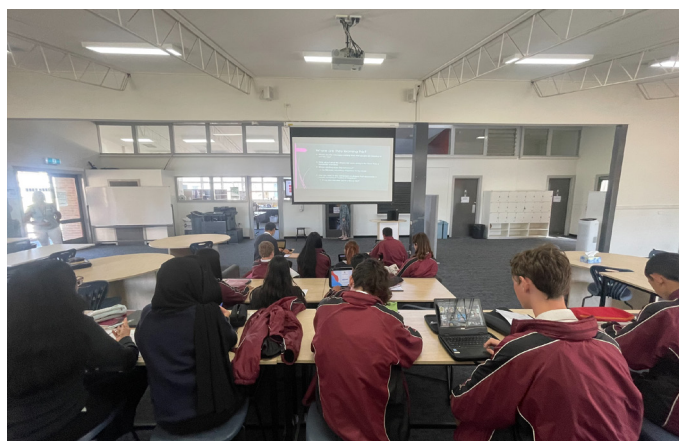

The 2023, Year 9 School Year has started with a bang! A massive term of learning, connecting and immersing ourselves within our learning community. The new school year came with a brand-new space for the Year 9s in A Block. Completely renovated and jam packed with technology, the classrooms have everything our students need to succeed. The new year has also seen the introduction of Connect, a program designed to provide students with life skills, resilience, empathy and a love for life long challenge and learning.

The term has seen an extensive array of engaging curriculum and work that all students should be proud of. From sessions with parliament members to designing and 3D printing electronics cases, the spread of learning opportunities has been exciting to see! The engagement in classes and collaboration within learning has been motivational to see, driving all staff to continue to challenge and support all of our learners.

The College's 'Welcome to Country' assembly coincided with a visit from an inspiring Indigenous Australian storyteller and performer, Scott Darlow. Both of these experiences opened up the Year 9 cohort to new knowledge of country and history of the land we live, work and learn. These sessions continued into the classroom, and will extend into the community as we progress into Term 2. Scott gave the cohort some amazing feedback, stating that their respect, thoughtful questioning and desire to learn was inspirational.

Coming into Term 2, we can expect to see our Year 9 students out and about, connecting with community and exploring passion projects in the city. We have more quests coming in and some unmatched opportunities up for grabs! We in the Year 9 team are excited to see what else Term 2 has to offer, and we hope you are too.

## Excursions

### Women in STEAM Morning Tea at Casey Tech

This year, we had the opportunity to celebrate women in STEM jobs. This year's theme is Cracking the Code: Innovation for a gender equal future #EmbraceEquity. The morning consisted of presentations by two speakers, Sonya Casey from AI Group and Kiowa Scott-Hurley from Defence Science and Technology Group, followed by morning tea and an opportunity to chat with some female industry leaders who also joined us for the student activities. At the end of morning tea, the students were split into four groups and participated in a range of 45-minute activities. Our students participated in a great mathematical activity where they represented the Fibonacci numbers visually.

### Holocaust Museum

The Year 10 Century of Change students visited the Holocaust Museum. Students profited from their discussions with survivor Paul Grinwald who shared his experience of being a child in occupied France. They helped Paul celebrate his 90<sup>th</sup> birthday and warmly responded to his powerful message of tolerance and respect.

### Year 11 Psychology DAX Centre excursion

The Year 11 Psychology classes visited the DAX Centre. The DAX Centre works with artists who have lived experience of mental health issues. We were given a guided tour of

the current exhibition and a presentation by a mental health advocate of their personal lived experience with a mental health issue. This expanded our understanding of mental health issues and help break down stigma.

### Year 12 Physics at Luna Park

Year 12 Physics class went to Luna Park for part of the Unit 3 Area of Study titled 'How fast can things go?' Students were required to analyse the motion of the various rides on offer and apply the theory covered in class to solve problems involving real world scenarios. The workbook completed on the day contributed to students receiving a satisfactory outcome of this area of study.

### Space Discovery Dome Incursion

Year 9 Mission 2050 and Year 10 Space and Earth classes had the opportunity to experience space in a planetarium-style manner. Year 9's explored the solar system, and the requirements planets need to sustain life, while the Year 10's explored the Big Bang Theory.

# Excursions

## Visual Arts

Year 12 students currently studying Art Creative Practice, Art Making and Exhibiting and Visual Communication Design visited the NGV International. The purpose of this excursion was to visit the exhibition by internationally renowned fashion designer, Alexander McQueen.

We arrived an hour early and were able to spend that time exploring the gallery. A wonderful bonus, especially for the students who had never visited the gallery before. Students were then lucky enough to be given an intro talk by Amy from the NGV. This was a fascinating and entertaining insight into McQueen's work and artistic journey.

We were all excited to have our chance to view the exhibition. Our students were overwhelmed, greatly motivated and inspired by what they saw. Students enjoyed a wonderful lunch and received an Alexander McQueen visual diary.

Overall, this was a valuable and inspirational experience for our senior students. We received much positive feedback from the students who attended the excursion.

# Health & Physical Education

## Year 10 Outdoor Education

The Year 10 Outdoor Education classes travelled to Lysterfield Lake to embark on a day hike around the Lake Circuit Trail. Students used both compasses and maps to help them navigate as a group around the circuit, stopping at each junction to relocate themselves on the map, ensuring they were sticking to the right trail.

Along the way, students took notes of minimal impact, noting down evidence of where visitors to the park either had not abided by the Leave No Trace (LNT) Principles, as well as positive examples of where visitors had actually followed these principles to maintain the sustainability of the various ecosystems at the park. Students are commended for their efforts and behaviour on the day, with not one complaint along the walk, but plenty of smiles and laughter enjoyed during the walk, whilst demonstrating respect for both wildlife and other park visitors.

## Year 9 Sports Education in Physical Education Program (SEPEP)

This term in SEPEP, the students have been running and participating in a round-robin volleyball tournament. For each match, there is a duty team that runs the match, including umpiring, collecting player statistics, timekeeping and score-keeping. In the classroom, the students have been writing up these statistics, creating a ladder for all the teams, a ladder for individual player statistics and a PowerPoint on the rules and history of volleyball.

Last Friday, the students ran their finals, including a Bronze medal match and their Grand Final. In the Grand Final, the teams were extremely competitive, going point for point, ending up with one team winning by a mere 2 points with 30 seconds to go. The students were presented with certificates for taking out the win. Congratulations to all the competitors. Throughout the remainder of the semester, students will compete in a number of different sports, developing their skills and tactics, and accruing points to compete in the final championship, for a trophy.

*Ms Gibson*  
Sports and Outdoor Education Teacher

# Sport

## Year 8 sport

On Wednesday, March 1 we had our first interschool sports day. We had 3 year 8 volleyball teams competing for the pennants. Our girls team put up a valient effort and came 4<sup>th</sup> overall. Our 2 boys teams both came second in their respective pools and got to play off in the bronze medal match. Was a very close game. Congratulations to all our teams who competed.

## Senior Sport

On March 6 we had our senior volleyball competition which involved 2 pools for both senior boys and girl's teams. For the boys Poole our A team finished 4<sup>th</sup> overall with our B team finishing 2<sup>nd</sup> overall. For our girls our A team finished 3<sup>rd</sup> with our B team finishing 1<sup>st</sup> overall and making it through to the next stage. All teams did exceptionally well and put up a good fight in all the rounds. Our boys A team lost in the grand final by one point and created a good competition and a good competitive atmosphere. We are excited to see how our girls B team do and wish them all the best in the next round.

## Casey South Division Swimming Carnival.

On Thursday March 9, 15 students competed in the Casey South Division swimming competition. Our students put in an amazing effort coming 5<sup>th</sup> overall.

Results for the day:

Nathan Rogers –	1 <sup>st</sup> 12-13 boys breaststroke
	1 <sup>st</sup> 12-13 boys butterfly
	2 <sup>nd</sup> 12-13 boys freestyle
	1 <sup>st</sup> 12-13 boys backstroke
Emily Firestone –	4 <sup>th</sup> 12-13 girls breaststroke
	4 <sup>th</sup> 12-13 girls butterfly
Mustafa Qurbani –	4 <sup>th</sup> 14 boys breaststroke
	3 <sup>rd</sup> 14 boys butterfly
	4 <sup>th</sup> 14 boys freestyle
	4 <sup>th</sup> 14 boys backstroke
Lydia Laeng-	6 <sup>th</sup> 14 girls freestyle
Millad Hazaranejad –	2 <sup>nd</sup> 15 boys breaststroke
	3 <sup>rd</sup> 15 boys butterfly
	4 <sup>th</sup> 15 boys backstroke
Riley Garnham –	4 <sup>th</sup> 15 boys freestyle
Georgia Garnham –	4 <sup>th</sup> 15 girls breaststroke

Karla Woodman –

Kaden Morgan –

Chloe Umali –

Relay team – Chloe, Kaden, Millad, Mustafa

2<sup>nd</sup> 15-16 Boys/Mixed Medley relay  
2<sup>nd</sup> 16 Boys/Mixed Freestyle Relay

Congratulations to our team! They put in a fantastic effort. Kaden, Nathan and Karla have all qualified for the Southern Metropolitan Region Competition.

*Ms Miller  
Sports Coordinator*

## Student Wellbeing

### Year 8, Term 1 Martial Arts Therapy Program (MAT)

Congratulations to our select group of Year 8 students who completed the popular 6-week Martial Arts Therapy Program.

Run by experienced teacher and martial arts instructor David, the aim of MAT group is to teach students the value of focus, discipline, goal setting, teamwork and mindset.

Last Tuesday, the program finished with the highly anticipated last session that the students have been working towards, which is 'breaking boards' of different difficulty levels. Each student made us proud by pushing through mental barriers to attempt or break boards that they initially felt were too challenging for them. They embodied the MAT group motto: Be strong. Be calm. Be kind. Try hard.

A select group of year 7 students will participate in the MAT program in term two.

*Ms Bannister  
Student Wellbeing Coordinator*

## Student Voice, Agency & Leadership

### IWD Event at Carrum Downs Secondary College.

Cranbourne Secondary College SRC leaders and Assistant Principal Michelle Lynch had the pleasure of attending an International Women's Day special event at Carrum Downs Secondary College. Our students met Deputy Premier, Jacinta Allan the Minister for infrastructure and major projects, our local member Pauline Richards MP and the member for Carrum Sonya Kilkeny MP. The students discussed issues relating to challenges women face in different industries with our politicians and came away from the event inspired to continue to champion equity for all at our College.

### Junior Playground Project

Our Year 7 and 8 class captain team met to decide on the furniture for the outdoor active area in the junior school. We want students to be creative, critical thinkers. We want them to rewrite the rules as life-long learners and critical thinking citizens. It's a mindset of self-direction and student ownership and it begins by empowering students with voice and choice.

*Ms Carr  
Student Voice, Agency & Leadership Coordinator*

# Alumni Program

College Dux 2019 Tiffany Isgro returned to the College with some great advice to the current Year 12 students at the recent assembly. We were grateful to have Tiffany return to the college through our Alumni program. Tiffany had fond memories of the teachers at the school and encouraged students to reach for their personal best in 2023.

Australian Idol Golden Ticket winner Gemma Rourke also returned to the college and provided the Performing Arts students with some valuable advice about entering the entertainment industry. She performed a beautiful rendition of Shallows and showed her deep appreciation of the school that provided her with so many opportunities to develop her talent.

*Alumni Coordinator Jenny Hammond with 2019 DUX Tiffany Isgro*

We would like to introduce two of our staff who are also recent alumni (former students) of our college!

**Ezel Duyar**, who is working with us as a Sports Trainee supporting our P.E staff, helping with events and day to day needs.

"I loved all my teachers at Cranbourne Secondary College! I love spending time with my family and being at the gym when I'm not working or studying."

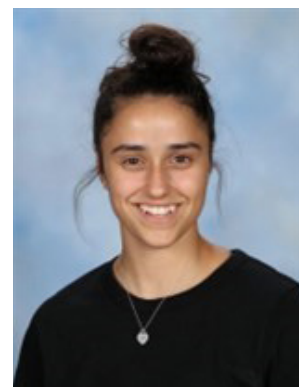

Ezel graduated in 2022 and she is studying a Certificate 3 in Sport and Recreation through the AFL SportsReady program.

**Elijah Jones** was School Captain for the Class of 2021. He is working as a Literacy Tutor as part of the Tutor Learning Initiative.

"The highlight of my job is the Study On program the college has implemented, where students come to the library after school for one-on-one tutoring. I truly enjoy seeing the impact these sessions have and improvement that the students make by taking the time to get the extra support."

Elijah is also studying a double degree at Monash University, a Bachelor of Arts and Bachelor of Secondary Education.

We encourage all past Cranbourne Secondary College students to join our alumni program. It's a great way to keep in touch, be part of the school community and stay connected to the people you have been to school with. You can follow our alumni program on social media pages: [Facebook Cranbourne SC Alumni Group](#) and [Cranbourne Secondary College LinkedIn Alumni Group](#).

To join our alumni community, simply email us at: [alumni@cranbournesc.vic.edu.au](mailto:alumni@cranbournesc.vic.edu.au)

# Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and Cranbourne Secondary College is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface
- rewarding students with badges as challenge milestones are achieved
- the option for students to mark books as a favourite, give them a star rating or complete a book review

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 8 September 2023.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: <https://www.vic.gov.au/premiers-reading-challenge>

CRANBOURNE

## Free Dental Care for Students

The Smile Squad Dental team from Monash Health are coming to Cranbourne Secondary College in term 2.

Smile Squad is the Victorian Government free school dental program. This means all students can get a free dental check-up, preventive services, and treatment at school. Smile Squad requires parent/guardian consent before they can provide services.

Families can register their interest either via the link provided on Compass or the QR Code above. Parents/guardians do not need to attend their child's appointment at school. However, if they wish to attend, they are welcome to make an appointment at their local community dental clinic.

## Trouble paying your energy bill? We can help you:

-  access extra financial support
-  ensure your concessions are applied
-  understand other supports that can help

Bring your bill and have a conversation with one of our trained volunteers.
